Date: 23 – Jun – 2026

Dear Hiring Team,

I am writing to express my strong interest in the **Google Apprenticeship Program 2026**. I am excited about the opportunity to develop my professional skills within an organization that is globally recognized for innovation, impact, and technological leadership.

I am particularly drawn to this apprenticeship because it combines structured learning with hands-on experience, allowing participants to grow both technically and professionally. As someone who is eager to build a career in **IT, Software Development, Data Analysis, Digital Marketing, etc.**, I am passionate about applying my knowledge in a real-world environment while continuing to learn from industry experts.

Through my academic and personal projects, I have developed key skills such as **problem-solving, teamwork, communication, and adaptability**. In my current role at **SITCO**, I have gained valuable exposure to professional work environments, strengthening my ability to collaborate effectively and manage responsibilities. I am especially interested in Google's culture of innovation and inclusion, which motivates individuals to think creatively and make meaningful contributions.

I am confident that this apprenticeship will allow me to enhance my technical capabilities, gain practical experience, and contribute positively to Google's mission of organizing the world's information and making it universally accessible and useful.

Thank you for considering my application. I would welcome the opportunity to further discuss how my motivation and skills align with the goals of the Google Apprenticeship Programme.

Sincerely,

Abdul Baseer Serat
